

Direct Your United Way Donation to Playground Renewal

Devonshire's primary yard is used by the JK - Grade 2 students and is also used several times a day by the school's child care program which has a vested interest in updating the yard to better provide a secure, stimulating and comfortable environment for students.

The child care program is a participant in the United Way Campaign and plans to direct all donations flowing from the 2009 campaign to replace the primary playstructures with updated and safer equipment. If you would like to direct a United Way donation to this renewal project, **please specify the following charity number when completing your pledge/payroll deduction form: 108079724RR0001**. The government campaign is presently underway and runs until November 25th. The community campaign runs from September 23rd to December 2nd. You can, however, contribute at other times of the year. For those who'd like to make a donation online, please go to www.unitedwayottawa.ca, and click on "make a donation" at the upper right. You'll also need the charity number listed above. If you have any questions, please contact Marni Oliver (moliver@magma.ca).
