

## Transportation Cancellations

Transportation cancellations to schools and special program sites due to bad weather or poor road conditions are announced on Ottawa radio and television stations as early as 6 am and these announcements are repeated at least twice per hour and more frequently on all-news stations, such as CFRA Radio. When we cancel transportation due to bad weather or poor road conditions, we cancel transportation TO ALL SCHOOLS. Schools remain open to students however. Currently all four local school districts make the decision collaboratively in order to reduce confusion and to ensure student safety. During bad weather conditions, we encourage you to listen to one of your local radio stations to check for school transportation cancellations.

CTV Ottawa - Newslines deliver local news at 7:25, 7:55 and 8:25 am on CTV's Canada AMA Channel - The A Channel Morning Show begins at 6 am and carries frequent cancellation reports. When a transportation cancellation is made, these cancellations apply to the entire school day (morning and afternoon) for all our schools. Parents should remember however that schools do remain open. Please note that students who ride school vehicles should not be driven to school unless their parents/guardians have made arrangements to pick them up at the regular dismissal time. And, IT IS A PARENT'S RIGHT NOT TO SEND THEIR CHILDREN TO SCHOOL DURING BAD WEATHER.
